San Marino  
INDEPENDENT LIVING

JUNE 2019 • SOAK UP THE SUNSHINE

## "For It Is In Giving That We Receive"

San Marino delivered a big check to Harris Park Elementary School's Reading Partners program. Resident Elayne Jacobson was the leading resident who participated in the Leisure Care annual Fitness Frenzy, that helped raise \$2,000 for the reading tutoring program for the school where she once was a substitute teacher. Sales Advisor, Heather Hennessee, volunteers weekly as a tutor.

## Honoring the US Flag

We celebrate Flag Day on June 14, the anniversary of Old Glory's adoption as America's flag in 1777. The U.S. Flag Code outlines how this national symbol should be honored.

American flags are displayed outside public institutions, including government offices, police stations and schools, as well as private businesses and homes. The Stars and Stripes always flies at the peak of a staff, higher than any other flag when on the same pole. When multiple flags are flown on separate poles, the U.S. flag is hoisted first and placed to the observer's far left.

The flag should not touch anything beneath it, such as the ground or floor. Unless properly lit, the flag is lowered – slowly and ceremoniously – and brought indoors at sundown.

When an American flag is worn or faded, it should be retired in a flag-burning ceremony. The American Legion, Veterans of Foreign Wars, Boy Scout and Girl Scout troops, and other organizations perform these ceremonies as a community service.

## Happy Birthday!
